\*\*A fee applies for the payment of **each** overdraft that occurs when you have insufficient available funds to cover a transaction. Opting in to Courtesy Pay will cover the transaction if you overdraw your available balance by any of these: checks and other transactions made using your checking account number; automatic bill payments; ATM transactions; non-recurring debit card transactions. Coverage up to a \$1000 limit; (\$500 minimum). Qualifications apply. Members will have up to 30 days to make a deposit to their account to repay the overdraft. By selecting this coverage, members acknowledge that any deposit made into their checking account after an overdraft occurs will in effect repay the overdraft balance whether the funds are from an automated payroll deposit, social security deposit or other automated deposit or deposit by check. Standard Overdraft protection for members who do not opt-in for Courtesy Pay, includes checks and other transactions made using a checking account number and automatic bill payments and is subject to the non-sufficient funds fee.
